

Sunday 21st May 2017

ENDPOLIONOW

JOIN THE THAMES WALK

The disease, which remains endemic in just two countries, is poised to be the second human disease ever eradicated, after smallpox.

The success we saw in the fight to end polio last year, with polio-free milestones reached in Nigeria and the African continent.

We have only 1% to go in our fight.

Help us Bridge the Gap to finally eradicate polio worldwide.

Rotary Club of Reading Abbey

Sunday 21st May 2017

Join us with a team of friends, family or colleagues and raise as much sponsorship as you can for your walk. Wear purple and a crocus and **End Polio Now**.

Walk along the Thames Path from any of the bridges in the Thames Valley to finish at the Crowne Plaza at Caversham Bridge, Reading to enjoy a riverside BBQ together.

Help us eradicate polio and reach a polio-free world.

Every donation that you commit to polio eradication will be tripled by the Bill & Melinda Gates Foundation.

For further information about the walk, registration and route, go to the Rotary Club of Reading Abbey Thames Walk website.
